Revenue Department. Bangalore

Sir,

With reference to your official Memorandum No. 4140/L.B.10-15-5 dated 8th December 1915, forwarding for report a petition from Veerappa, Carpentry Maistry, Robertsonpet, praying that the piece of land containing a peepul and a margosa tree in the compound of the King George Hall may be set apart for religious purposes, I have the honor to state that it is not possible to comply with the petitioner's request, as it is not desirable to have a public place of worship in a corner of a public institution like the Hall under reference.

2. The temple referred to in the petition was proposed to have been built on the right hand side of the entrance gate of the present compound, but this idea was entirely given up many years ago. The two trees referred to

are in quite a different portion of the compound nowhere near the proposed temple site.

3. Now that the grounds including the bit on which the ~~xxx~~ two trees stand have been reserved, and a park and recreation grounds have been laid out therein at considerable expense, it does not seem appropriate to permit the petitioner to construct the Aswathakatte and open a gateway for people to worship therein.

4 The file of papers connected with the subject, together with the petition received with the above is herein enclosed for reference.

I have the honor to be,

Sir.

Your most obedient servant,

Deputy Commissioner & President

DEWAN OF MYSORE,

BANGALORE. L.B. 10-15-2

Most honoured Sir,

I, Veerappa, Carpenter Maistry, Electricity Department residing in Robertsonpet, most humbly and respectfully beg to bring the following few lines to your honour's kind consideration & favourable orders

I have planted a Pepal (Atchutha) and a Morgosa tree some 10 or 12 years ago in front of my house and on the other side of the road which is now in the King George Hall Compound.

Government had kindly sanctioned the site where I am keeping the above trees for building a native temple. This sanction is clearly marked in the town plan which is filed in the Kolar Deputy Commissioner's Office.

Some months ~~back~~ I applied to your honour regarding this affair in person at Bangalore, when your honour was pleased to order orally that you will forward my petition to the Deputy Commissioner, Kolar District and do the needful.

As the trees are in the George Hall Compound, I could not perform the marriage and nagaprathista ceremony even after the growth of 12 years standing.

Under the above circumstances, I most humbly beg your honour will be gracious enough to visit the site and grant me permission to have a gate way in the place (marked "A" in the attached plan) and a decent and strong fencing round the trees (marked "B" in the plan) at my own cost without the least inconvenience to the Members of the George Hall, and for the performance of the ceremony above referred to at the earliest opportunity.

I beg to remain,

Most honoured Sir,

Your most obedient & humble servant,

Most honoured Sir

I. Venappa, Carpenter mastry, Electrical Department, residing in Robertsonpet most humbly beg to bring the following few lines to your Kind Consideration and favourable orders.

I have grown a Pepal (Atchutha) and a mooppoo tree some 10 or 12 years ago in front of my house and on the other side of the Road which is now in the King George Hall Compound.

Government had kindly sanctioned the site where I am keeping the above trees for building a natural temple. This sanction is clearly marked in the Town plan which is filed in the Deputy Commissioners office. As the trees are in the King George Hall Compound, I could not perform the marriage & Naga pratishta ceremonies even after the growth of 12 years standing. I have been maintaining the trees with much cost for this purpose.

Under the above circumstances I most humbly beg your honor will kindly allow me to perform the ceremonies above mentioned & also to ask the Vice President to allow us to have a separate gate for the visitors to go & worship the trees

I beg to remain
